Data Sources:
- 2005 Aerial Imagery is from PAMAP (Pennsylvania Geological Survey / Penn State).
- Parcel boundaries are from the Pennsylvania Game Commission.
- 2010 burn unit boundaries for the northern and southern units are orignally from PGC and were edited based on GPS data collected by The Nature Conservancy.
- The middle burn unit boundary, secondary firelines, and interior trails are from GPS data collected by The Nature Conservancy in March 2009.
- Bulldozed lines and walking paths were digitized by hand based on aerial photography and on-the-ground knowledge.
