## **INSTRUCTIONS**

Record your data only when hunting primarily for woodcock, or grouse and woodcock. This is a personal record, not a party record. Record only **YOUR** time and observations. If hunting in a party, regardless of who flushes a bird, if you see and/or hear it, count it as a flush. A cooperating partner who sees and/or hears the same bird also counts it on his or her data sheet. List hunts in different counties on the **SAME** day on separate lines. Record hours hunted to the nearest one-half hour.

Mail completed survey to PA GAME COMMISSION, BUREAU OF WILDLIFE MANAGEMENT, 2001 ELMERTON AVE., HARRISBURG, PA 17110. THANK YOU!

REPORT EVEN IF YOU DID NOT HUNT, OR IF YOU HAD A "POOR" SEASON, TO STAY ON THE MAILING LIST
