STATE GAME LANDS No. 181 YORK COUNTY

COMMONWEALTH OF PENNSYLVANIA
PENNSYLVANIA GAME COMMISSION

Each time a hunter buys a hunting license, the money he spends goes toward many facets of wildlife management. Since 1920, close to a million and a half acres of State Game Lands have been acquired with these funds. Each year nearly \$7,000,000 is spent to improve wildlife habitat. Habitat improvements enhance living conditions for non-game birds and mammals as well as those species which are hunted. Pennsylvania hunters willingly share these lands with the non-hunting public, and with few exceptions, State Game Lands are open for general use year round. Surveys indicate that hunting accounts for only thirty-five percent of game land usage. The remaining sixty-five percent is used by the general public for non-hunting purposes.

“Working Together for Wildlife” is a Game Commission program providing everyone an opportunity to help support wildlife management in the areas for endangered and non-game animals. Monies derived from the “Working Together for Wildlife” Program are being used in Pennsylvania to re-introduce the osprey, river otter, bald eagle, peregrine falcon and provide habitat for other birds and mammals indigenous to the Commonwealth. Construction placement of blue bird houses on State Game Lands provides needed homes for this beautiful songbird. Islands in the Susquehanna River have been set aside as propagations areas for non-game shore birds. Numerous other projects are planned on State Game Lands and other public

State Game Lands 181 is in rural Lower Chanceford Township, York County in the Pennsylvania Game Commission's Southcentral Region (Wildlife Management Unit 5B). The Game Lands is in two tracts totaling 563.3 acres.

Topography consists of rolling hills. The highest point (approximately 800 feet) is found near the northwestern corner of Compartment 1. The lowest point (approximately 220 feet) is found near the confluence of Oakland Run and the Susquehanna River. East Posey Road provides access to the eastern portion (Compartment 2) of SGL 181. This road runs into the interior of the Game Lands and is gated at the Game Lands parking lot. The old township road is maintained as an administrative road and provides foot travel through this portion of the Game Lands. Blain Road runs on or near the boundary for over a mile along the western boundary and a parking area is located off this road in the northwest corner (Compartment 1). A third parking lot is accessible from a short administrative road off of East Posey Road which also runs along the northern boundary of the western portion of the Game Lands (Compartment 1). Walking the administrative roads allows access to the interior of the property.

This game lands is entirely within Wildlife Management unit 5B. The principle species hunted are white-tailed deer, turkey, rabbits, pheasants and squirrels. Furbearer trapping opportunities include red fox, raccoon and mink. Other recreational activities include hiking, bird watching, nature photography and geocaching that occur occasionally. The Mason Dixon Trail runs through the interior of the Game Lands on an administrative road and then onto Posey Road.
