State Game Lands No. 297, consists of 633 acres, located in Washington County north of Marianna, on Legislative Route No. 62085. The terrain is rolling wooded hills interspersed with herbaceous openings. The principle game species found here are deer, squirrel, and rabbit.

State Game Lands now totaling more than 1,492,861.20 acres are purchased, managed and maintained primarily for outdoor recreation in the form of sport-hunting.

While portions of sportsmen's license fees and taxes on sporting arms and ammunition have made the acquisition and development of these lands possible, other users are welcome. Recreation such as boating, fishing, hiking birdwatching, and nature study is encouraged.

The Game Commission is concerned with protecting and perpetuations non-game wildlife species, along with managing for an annual harvest of all game species. While sport hunting, embracing the elements of fair chase, is the ultimate goal in wildlife management, other benefits have enhanced the quality of life for all who enjoy the out-of-doors.

For benefit of all users, please respect posted rules and regulations. Entry upon posted wildlife refuges and propagation areas is prohibited. Motorized vehicles are prohibited on gated roads and trails; snowmobiles excepted where so designated and posted.

For current conservation-sport hunting information, read the Pennsylvania Game News and visit the Pennsylvania Game Commission's home page http://www.pgc.state.pa.us or write to the Pennsylvania Game Commission, 2001 Elmerton Avenue, Harrisburg, PA 17110-9797.

"Working Together for Wildlife" is a Game Commission program providing everyone an opportunity to help support wildlife management in the areas for endangered and non-game animals. Monies derived from the "Working Together for Wildlife" Program are being used in Pennsylvania to re-introduce the osprey, river otter, bald eagle, peregrine falcon and provide habitat for other birds and mammals indigenous to the Commonwealth. Construction placement of blue bird houses on State Game Lands provides needed homes for this beautiful songbird. Islands in the Susquehanna River have been set aside as propagations areas for non-game shore birds. Numerous other projects are planned on State Game Lands and other public
