WILD About Bears

EDUCATOR WORKSHOP

JUNE 29
8AM - 4 PM

JUNE 30
8AM - 12 PM

Pennsylvania Game Commission
Southwest Region Office
4820 Rt. 711, Bolivar, PA 15923

Join Pennsylvania Game Commission (PGC) educators and biologists for an in-depth and up-close educational experience with black bears. You will receive your own copy of the award-winning Project WILD K-12 Curriculum & Activity Guide, as well as lessons & activities to integrate bear lessons into your teaching. You’ll learn about black bear physiology, biology, management, how PGC handles nuisance bears, research trapping efforts, and reasons why black bears are tagged and relocated in the Commonwealth.

Although not guaranteed, all efforts will be made to have at least one live black bear on site to be safely processed and tagged. Day 2 of the workshop includes a field trip to a nearby state game lands to demonstrate trapping and snaring techniques.

Register now by contacting Seth Mesoras, Information & Education Supervisor, at smesoras@pa.gov or 724-238-9523. Registration deadline: Tuesday, June 28, 2022, 4:00pm. Limited to 25 participants.
