

# Announcement for seven (7) land management Internships Pennsylvania Game Commission – Southeast Region Summer 2020

**Location:** Pennsylvania Game Commission  
Southeast Region – serving 4 Land management groups throughout Southeast Pennsylvania  
253 Snyder Road  
Reading, PA 19605

**Salary and Starting Date:**  
*Engineering, Scientific & Technical Intern*  
\$14.25/hour for 40 hours /week  
7:00am – 3:30pm Monday thru Friday  
Maximum of 749 hours/calendar year  
Anticipated Starting Date – May 17, 2021

**Job Description:**  
The selected intern will assist the Southeast Region land management staff with the development, implementation, coordination, and evaluation of activities designed to manage, protect, and enhance State Game Lands within the Southeast Region of the Pennsylvania Game Commission.

PGC internships will expose students to a variety of PGC work, including wildlife and habitat management. Work will involve the use of a variety of techniques, tools, & equipment, including herbicide sprayers, mowers, string-trimmers, and possibly heavier equipment, to help create, restore, and maintain wildlife habitats. Interns will also assist as needed with wildlife management activities, such as goose or owl banding, bat mist-netting, or numerous other efforts being conducted by PGC staff. Interns may also participate in prescribed fire.

**Job Requirements:**  
Work will be outdoors and will involve traversing distances over uneven terrain while conducting land management related activities. The selected person must have a valid motor vehicle operator's license. Must have an interest in wildlife habitat management, be enrolled in a college /university for the upcoming semester and be willing to work long hours in extreme elements.
