

PENNSYLVANIA GAME COMMISSION

The mission of the Pennsylvania Game Commission is to manage and protect wildlife and their habitats, while promoting hunting and trapping, for current and future generations.

SUMMER INTERNSHIP PROGRAM

The Pennsylvania Game Commission (PGC) will be offering numerous paid internships across Pennsylvania for the summer 2024 field season.

PGC internships will expose students to a variety of PGC work, including wildlife and habitat management. Work will involve the use of a variety of techniques, tools, & equipment, including herbicide sprayers, mowers, string-trimmers, and possibly heavier equipment, to help create, restore, and maintain wildlife habitats. Interns will also assist as needed with wildlife management activities, such as goose or owl banding, bat mist-netting, or numerous other efforts being conducted by PGC staff. Interns may also participate in prescribed fire.

Compensation: Approx. \$16.67/hr*. No housing is provided.

Interns will be hired directly from one of six PGC regional offices. Interns will be expected to arrive at the daily meeting location (varying between regional office, maintenance buildings, or other field sites) on time, and prepared for the day's work.

Qualifications: Must have an interest in wildlife habitat management, be enrolled in a college/university for the upcoming semester, and be willing to work long hours in the extreme elements and on uneven or mountainous terrain.

Positions will be announced by each region - stay tuned for more information. To learn more, please contact your Regional Office or visit pgc.pa.gov

*Interns will be paid as PA Engineering, Scientific, and Technical Interns. Exact salary is subject to change when hiring is completed.
