

Cover Wheel

Materials:

- Crayons/markers
- Scissors
- Glue
- Metal brads/fasteners

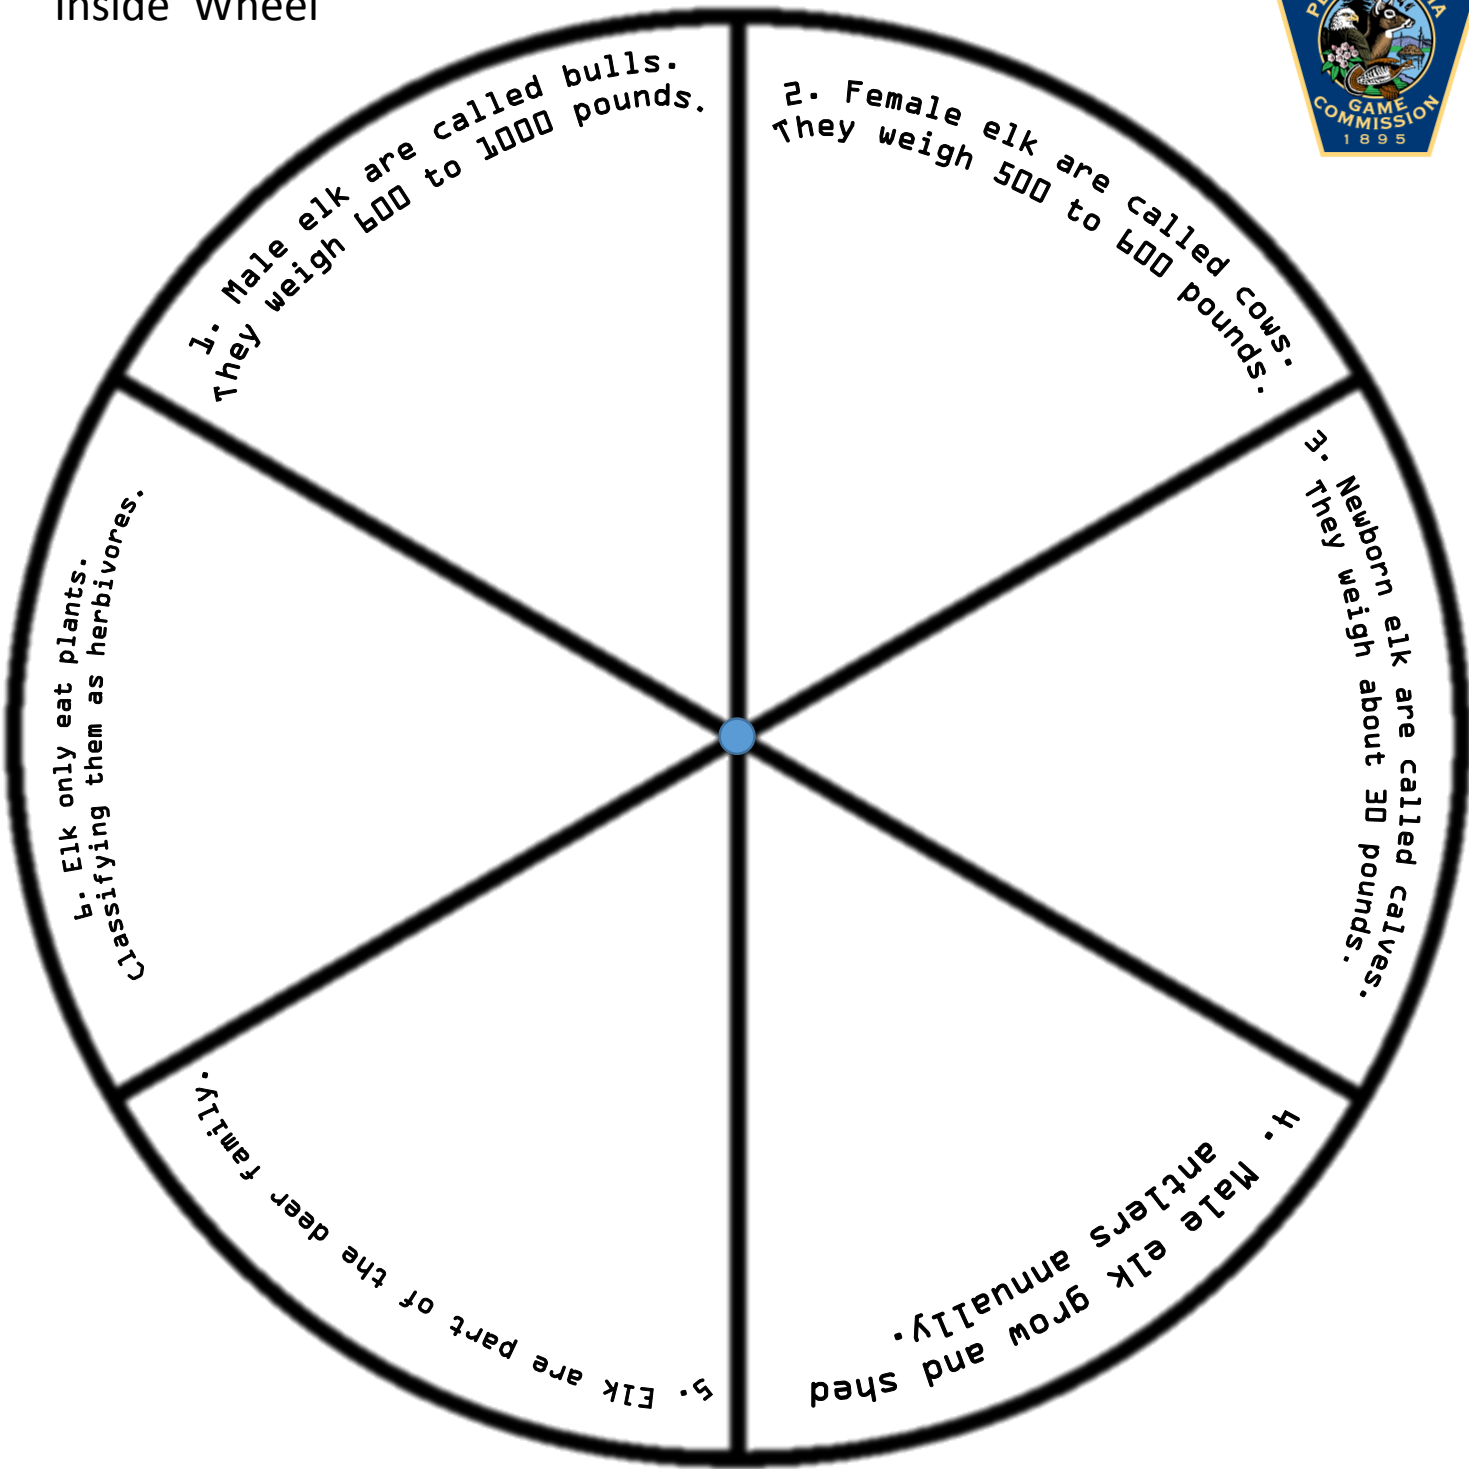

Directions:

1. Print both pages on white cardstock.
2. Color the cover wheel
3. Cut out the cover wheel and "window"
4. Cut out the inside wheel
5. Cut out numbered elk pictures and paste them with the matching number (or draw your own).
6. Place the cover wheel over the inside wheel.
7. Attach the cover wheel to the inside wheel with a metal brad/fastener
