## **INSTRUCTIONS**

Record your data only when hunting primarily for grouse, or grouse and woodcock. This is a personal record, not a party record. Record only **YOUR** time and flushes. Regardless of who flushes a bird, if you see and/or hear it, count it as a flush. If your partner flushes and/or hears it, he also counts it. List hunts in different counties on the **SAME** day separately. Record hours hunted to the nearest one-half hour.

Mail completed survey to PA GAME COMMISSION, BUREAU OF WILDLIFE MANAGEMENT, 2001 ELMERTON AVE., HARRISBURG, PA 17110. THANK YOU!

REPORT EVEN IF YOU DID NOT HUNT, OR IF YOU HAD A "POOR" SEASON, TO STAY ON THE MAILING LIST.
